

EXTRA FEET _____

THE RURAL MUNICIPALITY OF
BROKENHEAD

Notice of Dust Control Program

Homeowners within the boundaries of the Rural Municipality of Brokenhead may apply to have dust control (up to 300 linear feet of magnesium chloride in one continuous strip) applied in front of their home sites at a cost of \$160.00 plus GST for a single application. *(Additional dust control can be purchased at a cost of \$1.00/linear foot plus GST.)*

This dust control program is limited to the first 225 pre-paid applicants.

The deadline for applications along with the \$168.00 payment is **no later than APRIL 30, 2020.**

NOTE: The Municipality is not responsible for the product used or its application. If residents have any problems or concerns with the product used, please contact the contractor directly.

**Please keep your dust control signs up all season to prevent the product from being graded off your road. The Public Works Dept. reserves the right to grade over the dust control in the event that the road is in need of repair. After September 15th, roads will be graded in preparation for the winter season.

For more information, please call our office at 204-268-6700.
